I (We) understand the terms and conditions of my (our) loan agreement will apply except that there will be a regular monthly payment required during the month selected as my (our) Skip-A-Payment month. This month will be determined by the date this form is returned to Fort Financial CU. My (our) regular monthly payments will resume after the Skip-A-Payment month. I (We) understand that finance charges will continue to accrue during the deferral period. That deferral of my (our) regular monthly payments will result in my (our) having to pay higher total finance charges, and that my (our) loan repayment will be extended. I (We) also understand that Fort Financial CU reserves the right to terminate this offer if my (our) financial status changes after approval, but prior to the actual Skip-A-Payment month requested by me (us). This offer expires December 31, 2009.
